

## This Weeks 'What's happening'

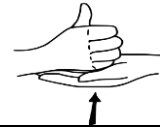

Children in **Blue** Room have been creating lots of models in different areas of the classroom including the block play and woodwork areas. Staff will be extending this by recording their work and talking about the different features including shape and size. If your child is building models at home don't forget to take photos and share them with us.

Some of the children from **Red** room will be visiting the local pet shop today on Forster Square to buy some new fish for their room.

**This weekend you could try the 50 things app and look at #28 The Wheels on the Bus** Travelling on different forms of transport is really exciting for young children, whether it's on the top deck of a bus, catching a train and watching the scenery as you pass through, or on a slow canal barge up Bradford's canal from Skipton or Saltaire.
