

## This Weeks 'What's Happening'

From 1st October 2018 the Local Authority will manage all Children's Centres in Bradford as part of the new Family Hub offer covering the 0-19 age range. This means Midland Road Nursery will no longer manage the Childrens Centre Cluster.

Activities and services will still be delivered through all the existing children's centre sites which form part of the new Family Hubs delivery locations. Midland Road Nursery School will continue to support children and families by working in partnership with the new Family Hub team.

The Local Authority are working to develop the Family Hub service core offer in partnership with professionals already working with children, young people and families in Bradford. Information about this offer and what it will look like will be released over the coming weeks.

The initial Family Hub core offer for each of the four areas has been published online and information will also be made available in individual Family Hub sites.
