

## This Week's 'What's Happening'

Date for your diary.... **World Autism Awareness week**  
**29<sup>th</sup> March – 4<sup>th</sup> April 2021**

Visit the following link to find everything you need to help raise awareness and funds with friends & family.

<https://www.autism.org.uk/get-involved/raise-money/world-autism-awareness-week>

**Monday 22nd  
March**

The children in 3-4's have been interested in volcanoes, they have been watching videos on how volcanoes erupt and have been making some amazing volcano sculptures. **Today we will experience our very own volcano eruption.**

**Tuesday 23rd  
March**

**National Reflection Day**  
The country will come together to acknowledge the collective loss that has taken place during the pandemic. We believe it is important to recognise this. We would like to create a collage of positive experiences you have had throughout Covid. Please send your pictures to [kiran.dean@midlandroad.co.uk](mailto:kiran.dean@midlandroad.co.uk)

**Wednesday  
24th March**

The children in 3-4's have been making some lovely pizzas over the past week and will continue to make some more as the children have really enjoyed exploring a range of ingredients. Why not try making your own pizzas at home!

<https://www.bbcgoodfood.com/howto/guide/best-healthy-pizzas>

**Thursday 25th  
March**

**Sign of the week**

Our Makaton sign this week is:

**Vegetable**

**Friday 26th  
March**

The Nursery and Extended Provision closes today for the Easter holiday and will re-open on **Tuesday 13<sup>th</sup> April 2021**

You can send us pictures of what you have been doing during the holiday.

**We hope you all have a lovely Easter holiday**

**50  
things to do  
before you're  
five**

Download the 50 things app and try **#19 Growing Little People, Plants and Things** You are never too young to start a healthy habit! Sow the seeds, prepare the ground and develop healthy food choices by teaching children where food comes from, and get them excited by growing fruit and vegetables they will love to eat. Plant and grow a sunflower seed. Check your own height on a wall, a doorframe or a poster. Watch stick insects, tadpoles and butterflies grow and change.

**As a treat, why not try making some Chocolate Easter nests during the holiday with your children!**
