

This Week's 'What's Happening'

	<p>To ensure the safety of our staff we ask that all parents wear a face mask on our school grounds and in reception.</p> <p>Children from Blue and Green room can be collected from 3pm-3.15pm and parents are now able to enter the playground and wait behind the fence. Staff will bring the children out to you. Thank you for your cooperation with this.</p>
<p>Monday 23rd November</p>	<p style="text-align: right;">Music Time</p>  <p>We can support and nurture children's musical development through offering broad musical experiences. This week Ginny will play our new piano for us. We will be singing along to some well-known tunes and joining in with our own percussion instruments and actions.</p>
<p>Tuesday 24th November</p>	<p style="text-align: right;">Kandinsky Colour Mixing</p>  <p>Wassily Kandinsky was a Russian artist who lived over 100 years ago. He also played the piano! We will be looking at his paintings as inspiration for our colour mixing experiences. We will explore using different colours and shapes to create our own abstract masterpieces!</p>
<p>Wednesday 25th November</p>	<p style="text-align: center;">Mouse Paint</p> <p>This book explores the world of colour and celebrates the joy of creativity. 3 white mice discover three jars of paint--red, blue, and yellow. But what happens when they mix the colours? This introduction to colours will appeal to our budding artists! https://www.youtube.com/watch?v=AjohJiyvA0Q</p> 
<p>Thursday 26th November</p>	<p style="text-align: right;">Sign of the week</p>   <p>Our Makaton sign this week is "stop". We will use this sign during activities with children this week.</p>
<p>Friday 27th November</p>	<p style="text-align: center;">This week you could have a go at #7 Making Music</p>  <p>Children show a great deal of curiosity. They love to make a noise and see the reaction it gets. Help everyone from babies upwards to channel their musical genius with everyday household items, or even make some 'musical instruments' of your own.</p> <p>https://bradford.50thingstodo.org/app/os#!/50-things-to-do-before-youre-five</p>
	<p style="text-align: center;">Parent Consultation</p> <p>We look forward to sharing information about your child's progress with us at nursery this term. Your child's Key Person will be arranging a suitable time for you to meet for 5 minutes to discuss your child's next steps in their learning, either in person with social distancing or if preferred over the telephone or video call.</p>
