	<p>Download the 50 things app and try #19. Growing Little People, Plants & Things. You're never too young to start a healthy habit! Sow the seeds, prepare the ground and develop healthy food choices by teaching children where food comes from, and get them excited by growing fruit and vegetables they will love to eat. Plant and grow a sunflower seed. Check your own height on a wall, a doorframe or a poster. Watch stick insects, tadpoles and butterflies grow and change.</p>
