<p><b>Tuesday 10th November</b></p>	<p><b>Sign of the week</b></p> <p>Our Makaton sign this week is "moon" We can see the moon in the sky when it is dark at night time. Over the past week the children have been spotting it during the day!</p>   
<p><b>Wednesday 11th November</b></p>	<p><b>Build a Rocket</b></p> <p>We will be making rockets this week. They would like to go to the moon just like Baby Bear in our story. There will be lots of creating and modelling going on. Take a look around your house. Do you have anything you can make a rocket out of?</p> 
<p><b>Thursday 12th November</b></p>	<p><b>Super Sandwiches</b></p> <p>In this week's story Baby Bear has a picnic on the moon. <p><b>Friday 13th November</b></p>	<p><b>This week you could have a go at #14 See the Stars</b></p> <p>The dark nights are a fascinating and provide an opportunity to see the moon and the stars. We can support and extend children's interest in the world and outer space. Experiences with light and darkness allow children to appreciate the awe and wonder of the world around them.</p>  <p><a href="https://bradford.50thingstodo.org/app/os#!/50-things-to-do-before-youre-five">https://bradford.50thingstodo.org/app/os#!/50-things-to-do-before-youre-five</a></p>
