

'What's Happening At Home'

Recipe to try at home – Pasta Ratatouille Bake

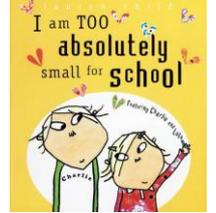

This simple and easy to make pasta recipe also includes the summer seasonal vegetables of courgettes, tomatoes and green beans. The green beans can be fresh, frozen or canned. You can use vegetarian or reduced fat cheese.

Our story this week is I am Too absolutley small for school by Lauren Child

Lola is really worried about starting a new school and your child may feel a little anxious about changes that will be coming in September. This story will help to talk about things you might be worried about when going to a new place, meeting new people and having a new routine.

Download the 50 things app and have a go at #33 Home from Home

Den building is a great way to encourage your child's all-round development, supporting physical, mental and social development. Creating dens will support them to plan and then making their ideas into a reality. They will need to problem solve, addressing challenges they come up against and then they can enjoy having some cosy privacy or an exciting imaginary adventure.

Space Blanket

This week's home learning pack contains a space blanket. A simple yet exciting resource that can really add to any den building you do at home. It is super shiny and makes lots of lovely crinkly sounds. A perfect play background for you child and their favourite teddies and toys. We would love to see what you get up to with yours!

Join in with our daily story time and songs on Facebook

This week's stories and songs will include some favourite characters and stories from our Nursery. Do you have any suggestions for what you would like to see? Let us know on our Facebook page.

EYFS – Physical Development – Dance for Life

Our Early Years dance teacher, Alex, has made another special video for the children to enjoy a dance lesson at home. Did you know that dancing can contribute to improving health and well-being? This week's video has a space theme. Join in at home and have some fun!
