

## 'What's Happening At Home'

	<p><b>Recipe to try at home – Pizza Pitta Faces</b></p> <p>You can all help out in the kitchen and make these pitta bread pizzas using your favourite veggies like cucumber and peppers. It's a great way to encourage the children to eat vegetables if they have the opportunity to help you prepare the food. The children can even arrange the vegetables to make patterns or faces. Using wholemeal pitta breads will provide a source of fibre.
