Dear Parent/Carer

As you may be aware, the lockdown will end next week. As we move out of the lockdown we will be placed into the Tier 3 category.

## Tier 3: Very High alert

This is for areas with a very high or very rapidly rising level of infections, where tighter restrictions are in place.

In tier 3:

- you must not meet socially indoors or in most outdoor places with anybody you do not live with, or who is not in your support bubble, this includes in any private garden or at most outdoor venues
- you must not socialise in a group of more than 6 in some other outdoor public spaces, including parks, beaches, countryside accessible to the public, a public garden, grounds of a heritage site or castle, or a sports facility – this is called the ‘rule of 6’
- hospitality settings, such as bars (including shisha venues), pubs, cafes and restaurants are closed – they are permitted to continue sales by takeaway, click-and-collect, drive-through or delivery services.
- accommodation such as hotels, B&Bs, campsites, and guest houses must close. There are several exemptions, such as for those who use these venues as their main residence, and those requiring the venues where it is reasonably necessary for work or education and training
- indoor entertainment and tourist venues must close. This includes:
  - indoor play centres and areas, including trampolining parks and soft play
  - casinos
  - bingo halls
  - bowling alleys
  - skating rinks
  - amusement arcades and adult gaming centres
  - laser quests and escape rooms
  - cinemas, theatres and concert halls
  - snooker halls

- organised outdoor sport, and physical activity and exercise classes can continue, however higher-risk contact activity should not take place
- organised indoor sport, physical activity and exercise classes cannot take place indoors. There are exceptions for indoor disability sport, sport for educational purposes and supervised sport and physical activity for under-18s
- you can continue to travel to venues or amenities which are open, but should aim to reduce the number of journeys you make where possible
- avoid travelling to other parts of the UK, including for overnight stays other than where necessary, such as for work, education, youth services, to receive medical treatment, or because of caring responsibilities. You can travel through other areas as part of a longer journey
- for international travel see the Foreign, Commonwealth and Development Office [travel advice](#) for your destination and the [travel corridors list](#)

Please follow the rules so that we can all stay safe and well.

**Remember to wear a facemask and stay at least 2metres apart when collecting your child from school.  
Please keep well away from members of staff to reduce the chances of spreading infection.**

Thank you for keeping our school community safe.

Yours sincerely,

**Ginny Robinson
