

This Week's 'What's Happening'

	<p style="text-align: center;">School Parking</p> <p>Please can we ask all parents/carers to park with consideration when dropping off and collecting your child. You must not park in front of the school gates or in the middle of the cobbles as access is required at all times and this would prevent any emergency vehicles getting through. All school visitors can park on the right hand side of the cobbles only as the left hand side is private business parking only. Thank you.</p>
