The school ensures my child is well looked after. **100% of parents agree.**

"School staff and teachers are very co-operative and well behaved. They always help me if I have any issues. They welcome us with a smile."

"Warm and friendly atmosphere. All the staff make sure that the child is well looked after. Thank you."

Your Written Feedback and Suggestions

Thank you so much for all your lovely comments. It is wonderful to know how much you value the school. We are always learning from you and this is what you had to say about things we could improve:

- Parking for parents.
- More activities and trips out.
- Parents should be allowed to have religious holidays for children without being checked.

Our Responses to Your Comments

We will always act on your comments or concerns. This is what we intend to do:

We have to keep our car park gates closed to keep children safe in school and prevent accidents. If you or your child has a disability please speak to Ginny, Sally or Hannah about parking in the school car park.

Parking is not permitted outside the school gates as this causes a hazard for emergency vehicles, like ambulances. They need access to the school at all times.

Now that Covid-19 restrictions have been removed we have started to reintroduce our usual events and activities. We look forward to you being able to join us. We will try to plan lots of opportunities for you to join us on days out and link these trips with the children's interests.

It's really important that we know where children are at all times and that's why we have to check with you when children take time off, whatever the reason.

"We love the support and the good care we see at school. We notice all of the staff really care and really are involved above and beyond for all of the children. None are treated differently."
