<p>Friday 21st April</p>	<p>Have a go at #14 See the Stars</p> <p>Night time is a fascinating opportunity for children to see the moon and the stars. Check out the night sky as the sun sets from your window inside the house or wrap up warm in the garden as you look at the moon. You could take photos or draw the shape of the moon and talk about how it changes.</p> <p>https://bradford.50thingstodo.org/app/os#</p>
