Word of the Week

Our 2-year-old vocabulary focus this week will be **'toothbrush'**. We will talk about the time of day we brush our teeth and use other words linked to brushing teeth, such as tooth paste and clean. Talk to your child about keeping their teeth healthy and supervise their brushing twice a day.

Sign of the Week

This week's Makaton sign is **'brush teeth'**. We will use this sign to talk to your child about how to look after our teeth to stay healthy.

Download the 50 things app and have a go at #15 Dressing up

Capture children's imagination with everyday 'dress up' play. Use clothes and objects you have at home to pretend to be someone or something else and make your own pretend play. Using your imagination supports vocabulary development and also dressing up helps practice independent skills with fastenings.
