

This Week's 'What's Happening'

Word of the Week

Our 2-year-old vocabulary focus this week will be **'chicken'**. We will talk to the children about the chicks that have hatched from the eggs and how they are changing rapidly and how important it is to look after them. Talk to your child about the importance of taking care of animals and any animals that are known to your family.

Living Eggs

Our eggs have hatched and the children are spending time with the chicks. The children are able to hold them, give them clean bedding, food and water. The chicks will be with us until Friday and you are welcome to come into school and meet them.

Handa's Hen

Our Core Story this term is about a girl called Handa taking care of her grandma's hen. The children are learning about the characters and exotic animals in the story. You can watch the story together at home.
