### Word of the Week

Our 2-year-old vocabulary focus this week will be '**pineapple**'. We will talk to the children this fabulous looking and tasty tropical fruit. Talk to your child about the different fruits you see in the shops and try some at home. What words can you use to describe the flavour and texture of the fruit?

**Thursday 14th  
March**

### Sign of the Week

This week's Makaton sign is '**to eat**'. We will use this sign to talk to your child during our routines and meal times.

### We were in the T&A!

You might have seen us in the paper. If you would like a copy please let us know.

### Please be on time for Nursery

We want all children to get the most out of their nursery sessions.

**Morning nursery starts at 8.45 – 11.45am and afternoon nursery is 12.30-3.30pm.**

We provide a 'flexible time' for the first and last 15 minutes of each session.

If your child arrives late, after 9:30am or 12:30pm, they have to be escorted to the classroom by members of the admin team. This means you do not have an opportunity to talk to classroom staff. Children can often feel distressed if they do not have an opportunity to follow the same routines on a daily basis.

Children will not be admitted to Nursery during lunchtime 11:45am-12:30pm without prior agreement.

**Thank you for your cooperation in this matter**
