

This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is **'to drink'**. We will be making milkshakes this week and will use this sign as we create our delicious milkshakes. This is a simple sign you can easily practise at home and really helps children to make a request for a drink!

Word of the Week

Our 2-year-old vocabulary focus this week will be **'pebble'**. Some of the children have recently visited the beach in all the lovely weather. They have been talking about treasure you can find on the beach, such as pebbles. We will be exploring the different sizes and shapes of pebbles and their properties.

Stay and Play

Join our weekly session for children and parents run by Early Years Alliance every **Thursday** 1pm to 2.30pm at Abbey Green Nursery School

Friday 16th May

Door Security

We have reviewed our security policy recently. When you arrive in school a member of staff will need to let you through our inner security doors. This is for the safety of all children. We thank you for your patience when you arrive and leave the school as you wait for staff to let you in and out. Please remember **not** to open doors for other parents and visitors.

Download the 50 things app and have a go at #47 Great Bradford Baking

As we are making milkshakes next week why not try baking together at home. Cooking together means you get to spend lots of quality time with your family, and celebrate all your effort with yummy food! They can chop and mix the ingredients while you talk about what you are doing. You could also make a shopping list of ingredients and let your child help you find them at the shop. You might even give them the money to pay at the till.
