

This Week's 'What's Happening'

Sign of the Week Vegetable

We will use this sign throughout the week to talk to your child during our group times. Maybe you could try growing some vegetables at home. The children will be making vegetable soup this week.

Word of the Week

Our 2-year-old vocabulary focus this week will be **'bridle'**. The children have been very interested in horses and so we will use some of the language linked to horses and their equipment as we play. The horse wears a bridle on their head when being ridden. A horse will be coming to visit school on Wednesday. **PLEASE NOTE THE CAR PARK WILL NOT BE AVAILABLE ON WEDNESDAY**

Download the 50 things app and have a go at **#50 Sea and Sand**

Take advantage of the long weekend and hopefully some Spring sunshine! A family trip to the seaside is a memorable experience for all! Children can begin to understand that the world is a much bigger place than just their own home and local area. Experience the sheer joy of playing in the sand, splashing in the sea or searching for creatures in the rock pools.
