

This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is **'outside'**.
We will use this sign to talk to your child and support our activities, routines and transitions.

Word of the Week

Our 2-year-old vocabulary focus this week will be **'sponge'**. We will use different words to describe the texture and feel of a sponge – using them wet and dry. Talk to your child during bath time if you use sponge. How does the sponge soak up all the water? Do you have different types of sponges at home?

**Monday 13th
October**

Signs of Autumn

When playing outside we will be looking for signs of Autumn – on the ground, the leaves and the trees. We will be collecting interesting objects and would like the children to bring in collections from home for us to look at.

**Tuesday 14th
October**

Baking buns

We will use a simple traditional recipe to bake our own buns. The children will be counting, weighing and measuring ingredients and talking about the changes they can notice in mixing and baking.

Oral Health

Our dental health practitioner Louise is offering one to one advice and support sessions complete with tooth brushes and toothpaste for your family. If you would like to book an appointment with Louise, please speak to your child's Key Person or the Office to arrange.

**Friday 17th
October**

Download the 50 things app and have a go at #22 My Secret Treasure

Children love to make collections. You can enjoy getting outside in your local area and parks to see what Autumn treasures you can find. Talk to your child about all the collections of natural objects you can make. We would like the children to bring in their Autumn collections to add to our display.
