

This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is **'to create or model'**. We will use this sign to talk to your child when we are playing with playdough and clay.

Word of the Week

Our 2-year-old vocabulary focus this week will be **'clay'**. We will talk about what clay feels like to touch and smell using words to describe and what we can do with it. Talk to your child about the clay they are playing with in school. Do you have any objects at home that are ceramic or pot?

**Monday 11th
May**

Clay workshop

We will have a visit from Andrew – a ceramic artist. He will run a clay workshop and inspire our creative skills with clay and the children will have the opportunity to use the different tools he brings with him – including a potter's wheel!

**Tuesday 12th
May**

Living Eggs

We have 10 eggs in school that we are watching in an incubator and waiting to see them hatch. We will be teaching the children about life cycles and how to take care of them. Please let us know if you would like to come into school to see them.

**Wednesday
13th May**

Mark Making

We will be using brushes and rollers for experimenting with Mark making on a large scale outdoors. Do you have any paint brushes or rollers at home that you could donate to school?

**Thursday 14th
May**

No Mobile phones in school

Parents and visitors must not use their mobile phones in school and this includes the corridors. You will be asked to put your phone away whilst in school. Thank you for your cooperation.

**Friday 15th
May**

#42 The Rough and The Smooth

Having a good splodge, squeeze or scrape with dough, clay and gloop can be so much fun. Children love to make shapes, roll balls or make replica foods. Doughs can be easily made at home with everyday ingredients and provide children with the opportunity to see how these ingredients change when mixed together.
