Word of the Week

Our 2-year-old vocabulary focus this week will be **'dinosaur'**. We will talk about the prehistoric creatures and learn the different names using words to describe what they look like. Talk to your child about dinosaurs at home? How many different dinosaurs can you name?

Download the 50 things app and have a go at #19 Growing Little People, Plants and Things

Watching things grow and change is amazing! Explore how plants, grow and change. Plant flowers, fruit or vegetable seeds in the garden or in a pot or jar on your windowsill, to grow your child's own mini harvest.

This website has lots of good information, advice and support for you and your child from pregnancy through to starting school. Each week we will share a different article on What's Happening and on Learning Journals that may be of interest to you.
