

## This Week's 'What's Happening'

### Sign of the Week

This week's Makaton sign is **'to listen'**. We will use this sign to talk to your child during our daily routines and group times as we encourage listening and attention.

### Word of the Week

Our 2-year-old vocabulary focus this week will be **'tambourine'**. We will talk to your child about this percussion instrument and use words to describe what it looks like and what it sounds like. Do you have any musical instruments at home? Talk to your child about how you can make and hear different sounds.

**Monday 28th  
September**

**Please arrive on time - 8:45am or 12:30pm.**

Please note that any children arriving later than 9:30am or 12.45pm will be marked as late. Late arrivals will need to be escorted to class by a member of staff.  
We know that children that arrive on time every day and attend each day perform better in their learning.

**Tuesday 29th  
September**

#### Snack time

Snack money is payable every half term at **£6 per child**. We also use this contribution towards baking ingredients. Please let us know if your child has ANY allergies or dietary requirements so that we can cater fully for them in line with our Nutritional Guidelines

Thank you if you have already paid for this half term.

**Wednesday 30th  
September**

### Core Story – From Head to Toe

Our Core story this half term has lots of unusual animals and we will be learning all about them and how they move. Take a look at the display in the corridor and talk about it with your child.

**Thursday 1st  
October**

#### Download the 50 things app and have a go at # Making Music

Young children love to hear and make new noises. Help your child explore the music and sounds of everyday household items. Why not make some 'musical instruments' of your own? Create a kitchen band, banging on pots and pans, or making rattles and shakers from bottles.
